To Whom It May Concern:

Our Lady Help of Christians Academy (OLHCA), the parish school for St. Isidore Catholic Church in Watkins, Colorado, offers education from Kindergarten through 12th grade. For more than a decade, OLHCA has instilled in its students the principles and discipline of academic subjects while guiding their spiritual formation. We provide the children in our school with a structured and well-ordered environment that allows for academic excellence at all grade levels.

Like many educational institutions in today's economic environment, we at OLHCA find ourselves in need of additional financial support. In an effort to maintain our level of academic standards, as well as, supplement teaching materials and maintenance of a secure learning environment, OLHCA annually hosts a number of fund raising events. So far, this year, the students have conducted a jog-a-thon and are enthusiastically planning additional events to help supplement these needs.

On September 25, 2016, we will be having a Fall Festival which will include a Silent and Live Auction. We are humbly asking for your help in our worthy cause by making a donation of goods, services or monetary contribution. Anything you can give is deeply appreciated.

For additional information please contact Bernadette Atencio at (303) 918-7544. Thank you and God bless you for your consideration and support.

Sincerely,

Our Lady Help of Christians Academy
